

Call for Research Grant Applications

1. Objective

To stimulate joint research within Hokkaido University and to subsidize cross-departmental and interdisciplinary joint research that will lead the world.

2. Grant amount

The total amount is 10 million yen, and the execution must be completed within 2021.

10-20 groups will be selected and 0.5-3 million yen will be provided per group.

3. Target study

Ongoing or planned research by young researcher groups across multiple departments

4. Groups eligible to apply

The following is a group of two or more applicants who meet all the requirements.

1) All applicants must be employees of the University as of April 1, 2021.

2) The representative must be 45 years old or younger as of March 31, 2022.

5. How to apply

Group representatives who wish to receive funding must submit a research grant application, research plan, abstract for poster presentation, and poster for presentation to the Committee by 17:00 on Monday, September 6, 2021 (URL: https://igm.lili-a.com/user/event/index?category_id=82&lang=en).

In addition, a poster presentation must be made at the 7th Hokkaido University Cross-Departmental Symposium on October 1, 2021 (Friday).

6. Determination of groups for support

The project committee members will review the applications and poster manuscripts and select the groups to be supported. The results of the selection process will be announced at the closing of the 7th Hokkaido University Cross-Departmental Symposium.

7. Follow-up of this project

Reports will be submitted and follow-up will be conducted from the end of the fiscal year of support implementation to the beginning of the next fiscal year.

The follow-up will be an oral or poster presentation on the grant-eligible research at the 8th Cross-Departmental Symposium.

8. Poster presentation

Poster presentation is mandatory. Prepare a poster manuscript (pdf or other image file) in advance and submit it to the Project Committee by 17:00 on Monday, September 6, 2021 (URL: https://igm.lili-a.com/user/event/index?category_id=82&lang=en).

9. Precautions

This symposium will be attended by researchers from universities and companies outside the university. Please mask any unpublished information or information that you do not wish to be published in the poster presentation outline and poster with "molecular X" or similar.
