The 44th ISGP meeting

We are proud to host ISGP2025 in Sapporo, JAPAN. The ISGP2025 will feature plenary sessions including JAXA session, young investigator award (Y-ISGP) sessions, parallel sessions, and poster sessions.

We warmly invite PIs, post-docs, researchers, students from universities, research institutions, space agencies, and pharmaceutical industry worldwide to participate in ISGP2025.

Join us share your groundbreaking research with a diverse and distinguished audience of peers !!!

We look forward to seeing you in Sapporo !!!
