

Hokkaido University IGM Joint Research Program and Symposium

Inter-institutional meeting

Date: 8:55AM- 18th, Mar. 2024 Venue: 2nd floor, Centenary anniversary hall, Hokkaido University

Prof. Gobardhan Das
(Director, IISER-B)

Prof. Himanshu Kumar,
(Head, Department of Biological Sciences, IISER-B)

8:55~9:05

Opening remark and introduction of the IGM:
Prof. Masaaki Murakami, Director, IGM, Hokkaido University

9:05~9:25 (15 min +Q&A 5 min)

Discovery of remote inflammation gateway reflex

Presenter: Kaoru Murakami

Laboratory of Prof. Masaaki Murakami

9:25~9:45 (15 min +Q&A 5 min)

Innate recognition during viral infection

Presenter: Akinori Takaoka

Laboratory of Prof. Akinori Takaoka

9:45~10:05 (15 min +Q&A 5 min)

Introduction of our laboratory -Tumor and transplant Immunology-

Presenter: Ken-Ichiro Seino

Laboratory of Prof. Ken-Ichiro Seino

10:05~10:25 (15 min +Q&A 5 min)

Novel genome-editing AAVs that selectively eradicate glioblastoma-initiating cells

Presenter: Toru Kondo

Laboratory of Prof. Toru Kondo

10:25~10:45 (15 min +Q&A 5 min)

Phenotypic screening of therapeutic seeds for treating pancreatic cancer

Presenter: Masahiro Sonoshita

Laboratory of Prof. Masahiro Sonoshita

~ Break (10 min) ~

10:55~11:20 (20 min +Q&A 5 min)

Milestones in Collaborative Research (IGM, Hokkaido University-IISER Bhopal): Prof. Himanshu Kumar

11:20~12:10 (45 min +Q&A 5 min)

Catch Me If You Can: Solving the Enduring Challenge of Dormant TB: Prof. Gobardhan Das, Director, IISER-B

12:10~12:15

Closing remark: Prof. Akinori Takaoka (IGM, Hokkaido University)
